Ceremonial Herbal Blends

The herbs in these blends grow everywhere, probably even in your backyard. Humans have always used them for healing and ceremony. They have simply been forgotten. The language of herbs is disappearing along with the ancient rituals of indigenous cultures.

Please don't forget. These herbs are here to remind you.

Bear Blend is made from the finest herbs; certified organic, biodynamic and fair trade. The blends are hand-crafted in a certified organic facility in Southern Oregon.

Ceremonial blends are used as a tea, a smoke or a vape. Herbs have been used to relax and reconnect for 100s of years.
